NOTE: Enrollment for the Regents External Degree Program is not included in this table. The community colleges in New York City have been displayed separately because effective July 1975 the jurisdiction over these institutions was transferred from State University to the New York City Board of Higher Education. Therefore, for fall 1973 and fall 1974 these institutions should be included in SUNY totals and for fall 1975 through fall 1977, they should be included in CUNY totals.
